WHY THIS ELECTION MATTERS SO MUCH

This is the first time in 40 years that 40% (2/5) of the Arlington County Board will be replaced by new candidates! Now is a critical time in Arlington: The board will need to act on the Affordable Housing Master Plan, address rapidly rising school enrollments, and tackle many other issues that affect our daily lives!

WHY YOUR VOTE MATTERS SO MUCH

Put simply, it is the neighborhoods and voting precincts where people regularly show up to vote that candidates and politicians pay closest attention to. VOICE is aiming to raise voter turn-out in YOUR precinct so that YOUR neighborhoods and concerns will be taken seriously by whomever gets elected.

WHAT IS VOICE?

VOICE (Virginians Organized for Interfaith Community Engagement) is the largest nonpartisan citizens power organization in Northern Virginia. Organized mainly through local faith institutions, VOICE currently represents more than 8,000 people who live or worship in Arlington.
