

Buy a VOICE Ad for your Business or be Recognized for your Contribution

In 2014, VOICE is doing a Friends of Voice corporate and individual donor campaign inviting those who know and respect our work to be co-contributors to the organization. Your contributions are greatly appreciated and will help us achieve our ambitious agenda.

VOICE is offering individuals, organizations or businesses that contribute over \$250 space for a message or ad your choosing to be published in VOICE's 2014 Annual Report. The report will be distributed at our 50 member congregations who have over 125,000 members and be made available online to our membership. Donations are tax deductible as a charitable contribution or business expense.
